**HCRS, INC. PRESIDENT, BRENDA DOLES, RN
Named Ernst & Young Entrepreneur Of The Year[®] 2007 Award Finalist in Maryland**

Laurel, MD, May 7, 2007 – HealthCare Resolution Services, Inc. (HCRS) (www.hcrs-inc.com) today announced that President Brenda Doles, RN, is a finalist for the Ernst & Young Entrepreneur Of The Year[®] 2007 Award in the Maryland Program. According to Ernst & Young, the awards program is designed to recognize outstanding entrepreneurs on a regional, national and global level who are building and leading dynamic and growing businesses. Doles is selected as a finalist from nearly 50 nominations by a panel of independent judges. Award winners will be announced on June 28 at the Hyatt Regency Baltimore.

“I am honored to be selected alongside some the state’s finest business leaders,” says Doles. “It has been a long journey to reach this point in my professional career, and this opportunity validates the outstanding commitment and performance of the entire HCRS team locally and across the country.”

A registered nurse by trade, she began consulting work after her pace as a health care administrator naturally slowed toward the end of her pregnancy in 1998. Over the past decade she relied on her nurturing instincts to take a company from birth to an industry leader -- with revenues nearing \$20 million in 2007 and more than 300 employees in 22 states.

The Laurel, MD-based HCRS serves the public and private sector in three distinct health care markets: information management, consulting and staffing services.

The Ernst & Young Entrepreneur Of The Year awards program celebrates its 21st anniversary this year. Awards are given to entrepreneurs who have demonstrated excellence and extraordinary success in such areas as innovation, financial performance, and personal commitment to their businesses and communities.

Regional award winners are eligible for consideration for the Ernst & Young Entrepreneur Of The Year 2007 national program. Award winners in several national categories, as well as the overall national Ernst & Young Entrepreneur Of The Year award winner, will be announced at the annual awards gala in Palm Springs, California on November 17, 2007. The overall national Entrepreneur Of The Year award recipient is then considered for the world event held in Monte Carlo.

HealthCare Resolution Services, Inc.

HealthCare Resolution Services, Inc. (HCRS) provides project management, data abstraction, quality assurance, business process improvement and staffing services to public and private clients in the health care industry. The company's track record for responsiveness, customer service and working effectively with clients and contractors is proven by the fact that leading government and commercial clients have returned to HCRS to perform professional services.
