HCRS \$10,000 Donation to Help Wounded Soldiers

FOR IMMEDIATE RELEASE

December 5, 2007

(Laurel, MD)-- During the Season of Giving, HealthCare Resolution Services, Inc. (HCRS) has honored those who have given the most. In appreciation of the sacrifices U.S. soldiers endure to preserve our freedom, HCRS has made a total donation of \$10,000 to the Fisher Houses near Lackland AFB, TX and the Walter Reed Army Medical Center in Washington, DC.

The Fisher House[™] program supports America's military, veterans and their families by donating "comfort homes" so that families can face medical crisis together. The unique private-public partnership recognizes the special sacrifices of our men and women in uniform and the hardships of military service by meeting a humanitarian need beyond that normally provided by the Departments of Defense and Veterans Affairs.

"HCRS operates as a family," said Brenda Doles, RN, MBA, President. "With our presence at dozens of military facilities across the country, our employees often witness first-hand the needs of our wounded soldiers. We know this donation will go a long way toward meeting those needs by helping to bring military families together under one roof."
